

As someone who doesn't think much of either party I found this contrast interesting I'm sure it was written by a Republican but I wonder if you can find a reverse contrast? By the way I didn't high lite anything it came that way.

TWO STATES IN THE MIDDLE OF AMERICA--- An interesting comparison

## **Illinois & Oklahoma :**

**I thought these two states, made for an interesting contrast. The first part about Illinois and the second part is about Oklahoma !**

### **PART 1 - Illinois "A State with No Republicans"!**

**Some interesting data on the 'state' of, the State of Illinois ... There are more people on welfare in Illinois than there are people working. Chicago pays the highest wages to teachers than anywhere else in the U.S. Their average pay is \$110,000/year. Their pensions average 80-90% of their income. Wow, are Illinois and Chicago great or what? Be sure to read till the end. I've never heard it explained better. Perhaps the U.S. should pull out of Chicago ?**

**Body count:**

**In the last six months, 292 killed ( murdered ) in Chicago .**

**221 killed in Iraq ; AND Chicago has one of the strictest gun laws in the entire US.**

**Here's the Chicago chain of command :**

**President: Barack Hussein Obama .**

**Senator: Dick Durbin .**

**House Representative: Jesse Jackson Jr. .**

**Governor: Pat Quinn .**

**House leader: Mike Madigan .**

**Atty. Gen.: Lisa Madigan (daughter of Mike) .**

**Mayor: Rahm Emanuel .**

The leadership in Illinois - **all Democrats** . .

Thank you for the **combat zone in Chicago** . .

Of course, they're all blaming each other. .

Can't blame Republicans; **there aren't any!** .

Let us get ALL the facts out while we are at it:

**Chicago school system** rated one of the worst in the **country**. Can't blame Republicans; **there aren't any!**

State pension fund **\$78 Billion** in debt, worst in **country**.

Can't blame Republicans; **there aren't any!**

Cook County ( Chicago ) **sales tax 10.25%** highest in **country**. Can't blame Republicans; **there aren't any!**

This is **the political culture that Obama comes from in Illinois** . And he is going to 'fix' Washington politics?

George Ryan is no longer Governor, **he is in prison**.

He was replaced by Rob Blagojevich who is, by the way, **also in prison**.

And Representative Jesse Jackson Jr. resigned and, that's right, **he and his wife are both in prison**.

The Land of Lincoln , where our Governors and Representatives **make our license plates**. What?

As long as they **keep providing entitlements** to the population of Chicago , **nothing is going to change**, except the state will go bankrupt before the country does.

"Anybody who thinks he can be happy and prosperous **by letting the Government take care of him** better take a closer look at the **American Indian**."

**Don't forget Detroit** , another **great example** of a **Democratic empire**.

With all the bad news, there is hope, so let's go to:

## **PART 2- Oklahoma**

**OKLAHOMA- may soon have plenty of new residents! THIS IS REALLY INTERESTING, AND TRUE... PLEASE READ IT!**

Oklahoma is the **only state that Obama did not win** even one county in the last election... While everyone is focusing on Arizona 's new law, look what Oklahoma has been doing!!!

**An update** from Oklahoma :

Oklahoma **law passed, 37 to 9** an amendment to place the **Ten Commandments on the front entrance to the state capitol**. The feds in D.C., along **with the ACLU**, said it would be a mistake. Hey this is a conservative state, based on **Christian values**... HB 1330

Guess what... **Oklahoma did it anyway.**

**Oklahoma recently passed a law** in the state to **incarcerate all illegal immigrants** and **ship them back** to where they came from unless they want to get a green card and become an American citizen. They all scattered. HB1804. This was against the advice of the Federal Government, and the ACLU, **they said it would be a mistake.**

Guess what... **Oklahoma did it anyway.**

Recently we passed a law to include DNA samples from any and all illegal's to the Oklahoma database, for criminal investigative purposes. **Pelosi said it was unconstitutional SB1102.**

Guess what... **Oklahoma did it anyway.**  
Several weeks ago, **Oklahoma passed a law,**  
declaring **Oklahoma as a Sovereign state,** not under  
**the Federal Government directives.** Joining, **Texas**  
**,Montana** and **Utah** as the only states to do so.

**More states are likely to follow:**

**Louisiana, Alabama, Georgia, the**  
**Carolinas, Kentucky, Missouri,**  
**Arkansas, West Virginia, Mississippi and**  
**Florida.** **Save your confederate money,**  
**it appears the South is about to rise up**  
**once**

**again. HJR 1003**

The federal Government has made **bold steps to take**  
**away our guns.** Oklahoma, a week ago, passed a law  
confirming people in this state **have the right to bear**  
**arms** and transport them in their vehicles. I'm sure  
that was a setback for the criminals The Liberals  
didn't like it- - But... Guess what... **Oklahoma did it**  
**anyway.**

Just this month, the state has voted and passed a law  
that **ALL drivers' license exams** will be **printed in**  
**English** and no other language. They **have been called**  
**racist** for doing this, but the fact is that ALL of the  
road signs are in English only. If you want to drive in  
Oklahoma , you must read English. Really simple.
