

Changes that I've seen in the last 90 years

In almost 90 years I've seen many changes but what is happening in the country today is the greatest danger the Country has faced.

The actions today are like China's Cultural Rev, ISIS & Taliban which were political today's are ideological, irrational & dangerous. nx tw-

2 many say anyone that disagree with us is racist no alternatives allowed. Edu Sy has cultiv a gen. that won't think or question.

It's your future & U better think of what U have & the sys that provided it. U want a gov. of laws or man? U can't change Past but can future.
