

**Here is a good reason one should be skeptical of most of the news. Instead of the facts most of the outlets tend to advocate their philosophy and denigrate anyone that disagrees with them.**

**Here's a look at some of the 15 billionaires who own news media in the United States**

Jeff Bezos Washinton Post

Michael Bloomberg - Bloomberg LP and Bloomberg Media. ...

- Rupert Murdoch - News Corp NWSA +0.99% ...
- Donald and Samuel "Si" Newhouse - Advance Publications. ...
- Cox Family - Atlanta Journal-Constitution. ...
- Jeff Bezos - The Washington Post
- [Mortimer Zuckerman](#) - US News & World Report, New York Daily News.  
[Mexican](#) billionaire [Carlos Slim](#) top stock owner of New Your Times

This group controls almost all of the news, papers, radio and television and with the exception of Rupert Murdoch they are all strong liberals. This might be a reason that about 93 percent of the news is negative to Trump. Do you remember the political cartel? Well you can bet that most of these persons are part of it.
